Enjoy the many activities at Frank G. Bonelli Regional Park. The 1,975 acres of park facilities surrounding the lake offers a variety of recreational activities: family and group picnicking, sightseeing, hiking, horseback riding, jogging, nature-walks, RV and tent camping, a water-theme park, bird watching, golfing and bicycling. The park is also the future site for the summer 2028 Olympics. To ensure an enjoyable day of recreation in a safe and clean environment, the facility is patrolled by law enforcement officers on horseback and in vehicles with mobile unit accessibility; maintenance personal are available throughout the area. Also, for your safety, the Mounted Assistance Unit regularly patrols the many miles of trails within the park, providing first aid and other assistance to humans and animals alike. This volunteer organization has been active at the park for many years.
